

# Clear Out

## MATERIALS

Game Board

Ten Counters each

**Objective:** To capture all of the opponent's counter's

**RULES:** Players, in turn, move counters one at a time. The moves involve:

Transferring the counter horizontally or vertically to any vacant adjacent cell.

Jumping an opponent's counter. When an opponent's counter is jumped it is withdrawn. Multiple jumps are permitted.

When a player captures all of an opponent's counters he is the winner.

A draw occurs when neither player can win.

**RESTRICTIONS:** While moves may be made horizontally or vertically, jumps have to be made diagonally.

Players must jump if a jump is available.
